

COMMEMORATIVE AIR FORCE

A MESSAGE FROM OUR PRESIDENT

The Commemorative Air Force began 60 years ago when a small group of rough-hewn Texans learned that World War II aircraft were being destroyed – they were having none of it! The warbirds were monuments to Americans coming together to defend our freedom and help win the war.

Today, we own and operate the largest collection of historic military aircraft in the world. More than just a collection of airworthy warplanes, our fleet of over 165 aircraft recreate, remind and reinforce the lessons learned from defining moments in American military aviation history.

Through the generosity of caring supporters and the tireless commitment of members and volunteers, the Commemorative Air Force is able to care for and share our flying museum. Each year, we bring history to life by attending airshows across America.

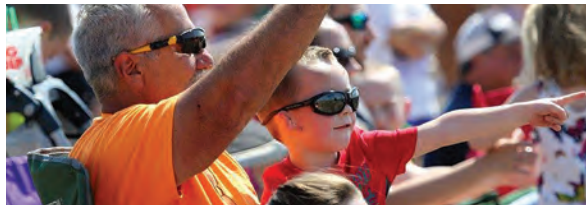

Our CAF RISE ABOVE® national education program inspires young Americans by sharing stories of socially segregated groups during World War II who were able to “rise above” adversity to achieve their goals. We do this by visiting schools and community centers with our *RISE ABOVE Traveling Exhibit* and distributing resource materials to teachers and youth leaders.

I personally invite you to become a member of our exclusive membership program – The Victory Circle. Your support will ensure the Commemorative Air Force continues to “Keep ‘em Flying” and inspire generations of Americans for years to come.

Robert A. Stenevik
President & CEO

The Commemorative Air Force is a nonprofit organization dedicated to honoring American military aviation through flight, exhibition, education and remembrance. The organization is composed of more than 165 World War II aircraft that are cared for by members and volunteers across America. Your generous one-time, recurring or planned gift helps to restore and operate these flying monuments to freedom which are viewed by more than ten million spectators annually. When you join our mission, you also support the CAF RISE ABOVE national education program.

WAYS TO SUPPORT OUR MISSION

Every gift is tax-deductible, with an impact that reaches millions of Americans at airshows, in the classroom and more. Please provide your support today!

Become a Member of The Victory Circle and have a direct way to provide the vital funds used to maintain and grow our key projects and initiatives.

Become a Monthly Donor and repeatedly provide steady, dependable support for the preservation of the aircraft and education of generations to come.

Give a Gift in the form of cash, check or credit card in support of the mission.

For planned gifts, gifts of appreciated securities, real estate or corporate giving, please contact the Development Office at (214) 330-1700, ext. 103 or visit us at www.CommemorativeAirForce.org. Gifts can be mailed to P.O. Box 764769, Dallas, TX 75376.
